Our mission is to supply the HVAC industry with superior products and dependable service, delivered by trained and motivated employees to help our customers succeed.

- **24-hour Emergency Opening Service** - After 5:00 pm, call our toll-free number for emergency opening service. For a modest fee we will meet you at our shop and help you get the emergency service part that you need.
- **Delivery on Auer Truck** - Auer Steel offers a variety of shipping options including delivery on Auer truck.
- **On-Site Hydronic Support & System Design** - We have the experience and knowledge to provide you with load calculations and system designs for radiant heating systems. We'll also provide you with quotes on the equipment necessary to complete your job ON TIME.
- **Comprehensive Dealer Training** - Call us for a list of our upcoming classroom training opportunities or visit www.auersteel.com to learn more about our on-line training options.
- **Website at www.auersteel.com** - We encourage you to visit our website for inventory review, to check your statement, look up invoices or to place an order. We also offer a variety of on-line training options.
- **Advertising/Marketing Support** - Whether you are looking for a newspaper ad or radio script, our Marketing Department is here to help you maximize your advertising investment.
- **Technical Support** - Our Technical Service department is here to provide you with installation and troubleshooting assistance on all of the products we offer.
