

5 TON AND LESS

MUV-7-50PS-16

Technology: UVC
180 total Micro-watts

IAQ Target: Bioaerosols
(Bacteria, Virus, Germs)

2 year Bulb life
Replacement Bulb:
LSK07401H-16

What's Included:

- Power supply with remote lamp mount
- Germicidal twin H lamp (packed in lamp box)
- Magnetic Z bracket
- Eight sheet-metal screws
- Two caution labels
- Strain relief connector
- Alcohol pad for cleaning lamp
- Installation & maintenance instructions

6-10 TON

MUV-7-100DR-16

Technology: UVC - Qty 2
360 total Micro-watts

IAQ Target: Bioaerosols
(Bacteria, Virus, Germs)

2 year Bulb life
Replacement Bulb:
(Qty 1) LSK-100DR-16
(Dual bulb pack)

What's Included:

- Power supply with two remote lamp mount
- Two germicidal twin H lamps (packed in lamp box)
- Two magnetic Z bracket (converts to duct-mount plates)
- Twelve sheet-metal screws, Four caution labels
- Strain relief connector
- Alcohol pad for cleaning lamp, Installation & maintenance instructions

12-20 TON

MUV-7-100DR-16 (QTY 2)

Technology: UVC - Qty 4
720 total Micro-watts

IAQ Target: Bioaerosols
(Bacteria, Virus, Germs)

2 year Bulb life
Replacement Bulb:
(Qty 2) LSK-100DR-16
(Dual bulb pack)

What's Included:

- Power supply with two remote lamp mount
- Two germicidal twin H lamps (packed in lamp box)
- Two magnetic Z bracket (converts to duct-mount plates)
- Twelve sheet-metal screws, Four caution labels
- Strain relief connector
- Alcohol pad for cleaning lamp, Installation & maintenance instructions

PRODUCT INFORMATION

- Moisture-Proof lamp connector and mid-cord connector
- Auto-sensing ballast works from 120 VAC to 240 VAC
- 16" UV lamps available for correct fit
- 2-Year long-life lamp
- Lifetime Warranty on electronics
- *180 Micro-watts/bulb

RECOMMENDED INSTALLATION

OPTION A: Install inside rooftop cabinet downstream of evaporator coil.

OPTION B: If unable to install Option A, use the following guidelines for installation.

- Install in the center of the ductwork to maximize air purification
- Consider easy access for future maintenance and bulb replacement (16")
